papers, including the cover letter and the return post card.

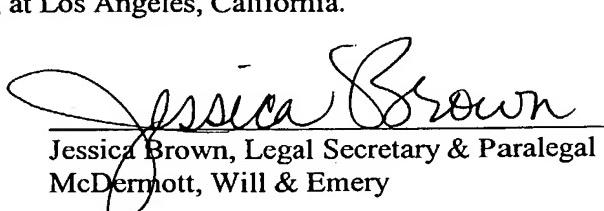

4. I then placed the original of the application and its related papers in an Express Mail package bearing number EV313253219US. A complete copy of the papers that I placed in this package is attached as Exhibit A.

4. At approximately 1:15 p.m. on July 25, 2003, I then delivered this Express Mail package to our mail room and told Edna Long who was staffing the room at the time that the package had to be deposited with the United States Postal Service Express Mail service prior to its normal pick up time on July 25, 2003.

4. Shortly after doing this and still on July 25, 2003, I gave a copy of the cover letter for this application bearing my signature on the Certificate of Mailing (Exhibit B hereto), the application, and the return postcard (Exhibit C) to our docketing department so that the filing of the application on July 25, 2003, could be recorded in our docketing department.
